

Dear caring neighbor,

As "Outreach" volunteers for the upcoming Kidfetti Music & Fun Fest, we would like to share an opportunity for you and/or your business to participate in this community event by providing sponsorships for families who would otherwise be unable to attend.

Kidfetti, a one of a kind child-centered outdoor music and cultural festival, is the brainchild of The Centers, our local non-profit behavioral health and substance abuse services facility. The mission of Kidfetti is to provide a community celebration for the benefit of all children and families. Additionally, it will assist The Centers with the cost of sustaining their work in protecting and nurturing the mental and physical wellness of our at-risk children.

While many parents and children come for the musical entertainment, there will be various activities throughout the venue that will be focused on fun with the goal of bringing children and their parents, grandparents or caregivers closer together through activities that build and strengthen communications and family ties in light-hearted settings. These activities will concentrate predominantly on art, music, health, and literacy.

In an effort to give as many children as possible an opportunity to attend Kidfetti, Outreach Sponsorship packages are available and now on sale for the event. Recipients of these sponsorships will include at-risk children who have been identified through various organizations throughout our community, and it is our hope that your generosity will make it possible for all of these children to be able to attend.

A \$100 sponsorship will provide one family package. This package is for a group of four (must include at least one adult), and includes \$40 Kidfetti Cash (for food, activities, and merchandise).

All \$100 sponsorship increments will provide additional family packages.

For example: \$500 – 5 packages, \$1,000 – 10 packages.

A sponsorship form has been included with this letter for your convenience. Please visit www.kidfetti.com or call (352) 291-5462 for additional information.

Won't you join us in supporting our children? We look forward to hearing from you soon!

Best Regards,

Ellie Donovan and Stephen Spivey
